The owners say they are continuously awed by their views of Forest Beach and Nantucket Sound. Waking up in the morning, cooking lunch, sitting on the deck, watching TV—the Forest Beach life style becomes part of you. Walking to get your morning coffee, walking along the ½ mile beach, fishing from the jetties, sitting in the sand, swimming in the warm water, sailing your sunfish, watching sailboarders, kayaking up Mill Creek to Taylor’s Pond, entertaining friends for dinner. It’s the LIFE. *PRICELESS!*
